LICCO Inc. honors Lattimer

HEATH -- LICCO Inc., the employment workshop operated by the Licking County Board of Mental Retardation and Developmental Disabilities (LCBMRDD), recently recognized Chip Lattimer of Pataskala as Team Member of the Month for November.

He was selected for this honor based on his loyalty and ability to work well with others, despite overcoming recent changes in his work environment.

"Chip recently moved to the production-support area," explained Workshop Specialist Debbie Neighbarger. "He uses many of the job skills he has developed over the years, while exploring some activities to prepare him for semi-retirement."

Chip has been a "loyal and faithful LICCO employee for about 16 years," noted Adult Services Facilitator Doug Price. "He gets along great with coworkers and supervisors alike."

The LCBMRDD provides comprehensive services to about 1,300 Licking County children and adults with mental retardation and other developmental disabilities. The agency currently offers preschool and early intervention services at the E.S. Weiant Center in Newark; early intervention services at the Ann Davino Center in Pataskala; adult services at LICCO Inc. in Heath; residential supports; family respite; transportation services; and service coordination.

The LCBMRDD is nationally accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) for providing high-quality support services to individuals with disabilities and their families.
