For more information, contact Clover Valley golf pro Doug Zeune at (740) 966-5533

Proceeds benefit the Licking County Board of Developmental Disabilities. At the request of the Cole and Zeune families, the money raised will be used to help infants and toddlers who are enrolled in the Early Intervention program -- Kaiden's Project provides resource books to new parents of babies with Down syndrome and other developmental disabilities and delays; and Family Support Services helps pay for adaptive equipment (such as wheelchairs and walkers), respite care services, and participation in therapeutic recreational activities.
